ABOUT US

John & Donna Spencer married a few short years after Bill's Pizza Pub first opened by Donna's parents, Bill & Dorothy Rogers in 1968. They operate the Randleman Road and Oak Ridge locations. The Spencer's adult children and son-in-law all work alongside them, together striving to maintain quality food at a reasonable price.

The very first Bill's was on High Point Road just down the road where Donna's mother still operates. It included a bar, which inspired the name. This part of the restaurant, the pub, was host to many young people who frequented it for the great food, beverage and social atmosphere. You came for dinner and stayed for pinball.

The restaurant presently caters to families and individuals alike who have come to love the food, especially the square-cut pizza. The family loves to create a new pizza representing one of the many different cultures in America. Let us know if you have one you want us to try!

The family is proud to carry on the tradition started those many years ago. This page is dedicated to the memory of Bill who made it his passion to see that above all else, quality food was always served!
